## Subject Index

- Abdominal pain
  - With gastroesophageal reflux 137
- Achondrogenesis
  - Collagen type II in Langer-Saldino achondrogenesis 158
- Adolescents
  - Diet in diabetics 239
  - Medical guidance 253
  - Metabolic control in diabetics 239
- Allergy
  - Cholesterol in asthma and allergic rhinitis 150
  - Cow's milk intolerance in nephrotic syndrome 1007
  - Erythema multiforme in cow's milk intolerance 729
  - Follow-up in cow's milk allergy 518
  - Intranasal budesonide in seasonal rhinitis 902
  - PMN chemiluminescence 542
  - Prognosis in allergic rhinitis 100
- Anaemia
  - Congenital sideroblastic anemia 652
  - In cartilage-hair hypoplasia 1026
- Aplasia cutis congenita of scalp 182
- Apnoea
  - Obstructive sleep apnoea 609
- Arnold-Chiari malformation
  - Sleep apnoea 609
- Arthritis
  - Borellia arthritis 921
  - Bone marrow examination before steroids 1052
- Asthma
  - Schoolteachers' knowledge about asthma 413
- Attention deficits
  - Sleep and wakefulness 618
- Atrial natriuretic peptide
  - Circulating levels 676
  - During treatment of congenital adrenal hyperplasia 268
  - In diagnosis of patent ductus arteriosus 672
  - In preterm infants 978
- Auditory stimulation
  - Cardiac response and effect of body movements 959
- Auditory system
  - Effect of narcotics and nicotine in newborns 962
- Autism
  - Brain structure 1030
- Bacteriology
  - Small bowel anaerobic contamination and fatty acids 51
  - Detection of mycobacterium tuberculosis 997
  - Detection of mycobacterium tuberculosis with PCR 141
  - Diagnosis of EPEC in neonatal diarrhoea 217
  - Elastase alpha-proteinase inhibitor in neonatal septicemia 353
  - Faecal flora and lactoferrin supplementation to formula 119
  - Inhibition of EPEC adherence to HeLa Cells by human milk 266
  - Transient colonisation of the gut 784
- Beriberi
  - Shoshin beriberi in infant of thiamine deficient mother 723
- Bilirubin
  - Cord Zn, Mg and Cu levels and hyperbilirubinemia 868
  - Phototherapy for hyperbilirubinemia 870
- Bloom's syndrome
  - Immunodeficiency 86
- Books reviews 185, 380, 731, 951, 1065
- Bovine milk
  - Epidermal growth factor 287
  - Follow-up of cow's milk allergy 518
- Breast feeding
  - Breast-feeding and dietary habits of children in rural Somalia 480
  - Breast-feeding in Brazil, termination 484
  - Duration 12
  - Selenium and human lactation 292
- Bronchopulmonary dysplasia
  - Prevention by fluid restriction 207
- Cardiology
  - Anesthesia-induced rhabdomyolysis 716
  - Atrial natriuretic peptide in PDA 672
  - Doppler ecocardiography following repair of aortic coarctation 241
  - Efficiency of prostaglandin E<sub>1</sub> in coarctation of the aorta 938
  - Rhabdomyomas in neonates 712
- Cardiovascular disease
  - Family history and blood lipids in newborns 21
  - Takayasu's aortitis 1044
- Carnitine
  - Acylcarnitine in urine in transient hyperammonemia 436
  - Deficiency and gastrointestinal dysmotility 79
- Cartilage-hair hypoplasia
  - Anaemia and macrocytosis 1026
- Cerebral palsy
  - Dyskinetic and dystonic c.p. 57, 93
  - Intrauterine growth in c.p. 407
- Child and adolescent psychiatry
  - Sleep and wakefulness in deficits in attention 618
- Child health examination
  - Health examination and school adjustment 257
- Cholelithiasis
  - In infancy 69
- Cholestas
  - Progressive idiopathic cholestasis 637
- Chronic granulomatous disease
  - Neonatal pericarditis, presenting manifestation 849
- Chronic illness
  - Well-being in chronic illness 625
- Clotting disorders
  - Late hemorrhagic disease of newborn 728
  - Recombinant factor VII a treatment 566
  - Vitamin K deficiency bleeding 655
- Celiac disease
  - Diabetes related antibodies 593
  - Incidence in Danish children 394
  - Increased incidence in Sweden 589
- Collagen
  - In achondrogenesis 158

- Congenital adrenal hyperplasia  
   Atrial natriuretic peptide during treatment 268  
 Congenital dislocation of hip  
   Prospective study of ultrasonic and clinical examination 177  
 Community pediatrics  
   Day care and sickness 929  
   Energy and nutrient in Greek immigrant children 430  
   Identification of adolescents with psychosocial problems 424  
   Low back pain in school children 1035  
   Public services and identification of health problems 417  
 C-reactive protein  
   In hepatitis A 631  
 Cryptorchidism  
   Hormonal treatment 605  
 Cystic fibrosis  
   Genetic analysis 522  
   Hemoglobin desaturation in airway obstruction 1002  
   Home i.v. antibiotic treatment 340  
   Incidence of *Pseudomonas cepacia* infection 1042  
   Markers of inflammation in exacerbation 227  
   Mild course and heterozygosity 82  
   Mutations and clinical severity 262  
   Pulmonary function and oxygen uptake 527  
   Vitamin K status 658  
 Delivery  
   Neurological adaptation of infants delivered by caesarian section 797  
   Post-delivery care and neonatal body temperature 859  
   Rupture of the trachea 944  
 Developmental physiology  
   Equation for total body water during infancy 264  
   Prostanoid excretion in urine 191  
 Developmental psychology  
   Neonatal behaviour and subsequent temperament 829  
   School adjustment 257  
 Diabetes mellitus  
   Diet in adolescents 153  
   Macrophage-released interleukin-1 935  
   Metabolic control and diet 239  
   Rapid onset of retinopathy, cataract and nephropathy 355  
   Urinary glycylylprolyldipeptidyl aminopeptidase 907  
 Diabetes insipidus  
   In empty sella syndrome 459  
 Diarrhoea acute  
   Glucose polymers and hypernatraemia 73  
   Increased protein absorption 589  
   Neonatal diarrhoea, diagnosis of EPEC 217  
   Treatment with ORS in rat model 46  
 Diarrhoea chronic  
   In giardiasis 881  
 Drug adverse reactions  
   Phenytoin-induced immuno-deficiency 646  
 Eczema  
   Prognosis 1013  
 Editorials  
   Duplicate publication 573  
 Electroencephalography
